Night After Night
Deal After Deal
Dirty Double Crosser
Playing Your Hand
Take A Spin At The Wheel
With A Coin Lady Luck Had Lost

Time After Time You Got Away
To The Shadows Of The Night
But Soon My Friend You'll Have To Pay
Cause What You've Done's Not Right

Crime And Punishment
These Are The Laws
Crime Gets Punishment
For The Criminal You Are
You're Public Enemy
Number One
Pushers Gangsters Leather Hoodlums

Knuckles Knives And Guns

Close The Dragnet Sirens Scream
There's A Killer At Large
Capital Murder Triple Life
He's Guilty As Charged
Terroristic Threatening Got Witnessed Protection
The Penalty Prescribed Is Death
By Lethal Injection

Crime And Punishment
These Are The Laws
Crime Gets Punishment
For The Criminal You Are
You're Public Enemy
Number One
Pushers Gangsters Leather Hoodlums
Knuckles Knives And Guns
