Momma Died  
I Was Denied  
Of The Love That A Child Needs  
An' I Was Born  
In The Town By The City  
Where The Pain And The Hate Breeds

But I Learned To Love Myself  
And Now I Will  
Cause There's No Time  
No Time To Kill  
Now Love Does My Will

Like A Black Man  
Trapped Like A Slave  
King Cotton Grows As High As The Sky  
An' The Master Says  
Fill My Bag  
And It Must Be A Mile Wide  
But I Learned To Love You Good  
And Now I Will  
Cause There's No Time  
No Time To Kill  
Now Love Does My Will

Later Days I Changed My Ways  
And In The End I Won  
A Victory Unto Myself  
Where Before Well I Had None

And I Learned To Love You Good  
And Now I Will  
Cause There's No Time  
No Time To Kill  
Now Love Does My Will
