Because The Night
Has A Thousand Eyes
And A Thousand Eyes
Can't Help But See
And As They Watch
They Will Percieve
What's In Our Hearts
And Our Minds
And All That We Believe
And You Sure Know
You Cannot Hide

Chorus:
Because The Night
Has A Thousand Eyes
Whoa Yeah, You Better Watch Those Eyes

Nothing Matters Here
You Know You Saw It
But Soon You'll Know
That What You Knew
Was All A Bunch Of Shit

Now You'll Try Hard
Just To Forget
You'll Take For Granted
And
So Soon Will Regret
Ourselves We Fool
With All Those Lies

(Chorus)

Because The Night
Has A Thousand Eyes
You Won't Feel Right
Until You Let Go Of Those Lies
You'll Try Hard
Just To Forget
You'll Take For Granted
And
So Soon Will Regret

Ourselves We Fool
With All Those Lies
(Chorus)
