Dark Forces Of Evil  
Descend On Us Now  
We Are Fighting  
Only To Surrender  
Don't Disregard This Word For You

Now It's Time To Turn Or Burn  
It's Cutting Through The Haze  
The Holy Ghost  
And The Ultraviolet Rays

Dark Forces Of Evil  
Are Massing From Within  
Will You Recognize  
Our Love's The Only Weapon  
Or Will You Die A Fighting Fool  
Consumed By Your Last Mortal Sin  
Now It's Time To Turn Or Burn  
It's Cutting Through The Haze  
The Holy Ghost  
And The Ultraviolet Rays

Dark Forces Of Evil  
Descend On Us Now  
We Are Fighting  
Only To Surrender  
Don't Disregard This Word For You

Now It's Time To Turn Or Burn  
It's Cutting Through The Haze  
The Holy Ghost  
And The Ultraviolet Rays
