When The Dark Clouds Return  
There's A Lesson For Us All To Be Learned  
When You're Sitting Inside Of Your House  
And Are You Never Ever Coming Out  
And You've Saved And Stashed Away  
For Tomorrow's A Rainier Day  
Oh We'll Just Curse At The Clouds From Hell  
While The Rain Goes On Drawing My Will

Chorus

When The Dark Clouds Return  
They'll Hang Over My Head  
Is The Sun And The Moon  
Obscured By The Clouds  
Or Is It My Heart Instead  
When The Dark Clouds Return

Is The World Turning Upside Down  
Where The Rocks Rain Up From The Ground  
And You Walk On The Sky Below  
As The Dark Casts A Lighter Shadow  
Well I'm Just Glad That I Don't Live There  
Cause If I Did Well I'd Haven't A Prayer  
So I'll Just Curse At The Clouds From Hell  
While The Rain Goes On Drawing My Will

(Chorus)

The Moon Rise  
Brushes Up To My Chest  
And Slowly Up To My Eyes  
Oh It's A Well Known Fact  
That It Can Rain For Many Days  
Weeks Or Months Around These Parts  
So All You People  
Better Hang On To Your Homes  
Your Children And Your Hearts

They'll Hang Over My Head  
Is The Sun And The Moon  
Obscured By The Clouds

Or Is It My Heart Instead  
When The Dark Clouds Return

When The Dark Clouds Return  
There's A Lesson For Us All To Be Learned  
When You're Sitting Inside Of Your House  
And Are You Never Ever Coming Out  
And You've Saved And Stashed Away  
For Tomorrow's A Rainier Day  
Well We Can Curse At The Clouds From Hell  
While The Rain Goes On Drawing My Will

(Chorus)

When The Dark Clouds Return  
When The Dark Clouds Return  
When The Dark Clouds Return  
When The Dark Clouds Return  
When The Dark Clouds Return  
When The Dark Clouds Return  
When The Dark Clouds Return  
When The Dark Clouds Return
