Don't You Mind Us  
There's A Place Out In Space  
Where The Darkest Matter Hides  
All Truth Resides  
And The Spirit Rides  
Chorus  
When The Spirit Rises  
It Goes Over Our Heads  
And Across The Ocean  
Like A Hole In The Middle  
Of My Imagination  
We're Doomed, Yeah!  
Time To Blast  
There Is All  
That Lives And Breathes  
That's You And Me  
The Air We Cannot See  
That's Us  
And Our Bodies Turn To Dust

Like A Fish  
I'm Gonna Look Up Through The Top  
Of My Bowl To The Hole  
And I'll Never Know  
What Goes On Out There  
(Chorus)  
Time To Blast  
There Is All  
That Lives And Breathes  
That's You And Me  
The Air We Cannot See  
That's Us  
And Our Bodies Turn To Dust  
Like A Fish  
I'm Gonna Look Up Through The Top  
Of My Bowl To The Hole  
And I'll Never Know  
What Goes On Out There  
(Chorus)
