Powerful Darshan is he  
and of the Guiding Gaze  
Who can feel the Plenitude  
beyond his own Emotions  
a Pleasurable Friend  
of Beautiful Ingravidness  
Who possesses the security complete  
of following the Way towards Eternity

The Cosmic Progression of his Feelings  
in This my Great Cause did captivate Him  
and the Greatness of his Magic  
did transform Him into a Psy Atman  
when the Light within his Eyes  
did contemplated my Great Essence  
with one last Glance upon the Wind  
and one Last Thought  
his life and flesh did He renounce  
and his Existence dedicated to the Purest Art  
when the Beating of his Heart  
with my Charm did Fall in Love  
the shine and throbbing of his Being for Me  
Lord of Plenitude  
Lord of Ingravidness  
Lord of Eternity

in my Soul no more desire  
in my Soul no more illusion  
one Reason only has life still  
in my Soul no more amusement  
only Devotion and Deliverance is there still  
within my Soul no more affection  
where Plenitude, Ingravidness and Eternity do Reign

there still remains The One Objective  
to Exist and Be a Psy Atman  
with Art, with Art... for a shield

He dreamed of a World  
Reigned upon by Magic and by Art  
and now, being part of Atman  
He does Create, and Live, and Proclaim

that He did always know the day would inevitably  
come!!!

Thanks to Darshan Psy for sending this lyrics.
