And let the poppers pop, and the breakers break I'll
slay all suckers from state to state Or should i say city
to city coming face to face Brothers case the place but
we're going to take this cake Only one first place
runners a get ran fuckin up your man, trying to duck
these hands up rockin' sure shotin' flip it up with cap all
your homeboys is biters, now what's up with that? b-
boys done did it since dr. Spot don't believe that's my
main man Dr. Rock? before the glocks go pop we body
rock on the block back spin pop lock cops lock the spot
See, this is no fable this is real life Props to Popmaster
Fable and his chill wife We understand the love.
They're getting all praise due But still I, drop props to
the cool phase 2! Amaze you stays true old school
brand new! Daze you! Blaze you! Battle no can do! I'd
Advise you try they have about 9 lifes You shook jooks!
Title took, what you look surprized? You see the smoke
so you know there's fire New all nat album hip-hop
empire. They too, insignificant, just too, magnificent To
rip it prolific and watch you wicked as you whippin' em
He beat your ass like cancer fags is flashdancers Gone
ain't got a chance, it's on you just romance these
stones that I grip and pose like ambrose shell toes
some hit 'cha bawws! (huh) You're getting played punk,
diggd your own grave chump See new strenght move
by my brother brave monk Monkey see, beat masters
so they give fly props But me I owe a lot to the one shot
rock and reg not them there Was like fred astaire make
moves for your lady baby stop and stare you did not
prepared your routines is weak old basic footwork with
them two left feet I fresh freeze... now take a fake my
man and catch deez... heavy dick in my hand ever
ready rock steady know your real from fake so the
poppers pop, and the breakers break Now let the
poppers pop, and the breakers break. I slay all suckers
from state to state Should i say city to city coming face
to face from That's where the poppers pop, and the
breakers break So let the the poppers pop, and the
breakers break. I slay all suckers from state to state
Should i say city to city coming face to face from
Where the poppers pop, and the, and the breakers

break *Scratching buzz off. Ya'll biters! All your
homeboys are biters. Ya'll wack so what's up with that!?
Yo what are you talkin' about I ain't stole no moves
from you! All your moves ain't worth a bit! So what's up
with that?! Punk! Punk!? Biting your style man and
they're comign out here making money like they trying
to hustle you!? Scooby do! When I do my backspin, it's
going to be the baddest man! Incredible! Breakin' was
my thing I used to spin the backspin! Used to wish I
could break like rock steady! Let the poppers pop! And
the breakers break! Used to wish I could break like rock
steady! The real rock steady taking out these toys!
Used to wish I could break like rock steady! Shorty
showed skill when (?????) rock Used to wish I could
break like rock steady!
