v1:

theres days,
you said i wasnt good enough,
and maybe..i havent made a difference in the world,
but i am on my way, a-yea,
and these days,
people telling me im not,
worthy...of making it in life,
but i disagree,
oh i disagree,
and i aint gonna fall back,
and wait around,
for something bad to come around,

c:

and those moments,
that'll make you see,
how wonderful...my life could be,
im gonna make you see,
you wont see right through me anymore,

v2:

theres times,
i wanted you to be on my side,
and tell me,
that your so proud you wanna cry,
but i know that wont happen, a-yea,
and facing, the things that you have put me through,
knowing, that you don't approve,
and i ain't gonna fall back,
and wait around,
for something else to come around,

(chorus)

v3:

so take a look around you,
im doing fine,
and im not gonna let these words,
get me down,
and im not,
falling back for you to say,

i couldn't make it,
im gonna make a change,

(chorus x2)
