why dont you get it,
that kiss ment nothing at all,
you called me up,
and asked to see me,

you keep calling me back and your still making plans,
get out of my life and dont come crawling back,
im the gypsy of the day and your the hunchback,

it was one night,
and now its over,
its just a game dont call me back,
why does it seem,
you never listen,

it was only a dare it was just one night,
you let it get to your head and now your a fright,

it was just a kiss it didnt mean that much,
just remember im snow white and your the seven
