is this just a crush,  
cuz if so...its not enough,enough  
you took my heart,  
tore it apart,  
and now were right back from the...start,  
you told me that you loved me,  
you told me that you cared,  
its something that we had together,  
something that we....shared,

chorus:  
cuz we're the heart breakers,  
pain takers,  
your love means nothing to us now,  
we're the love haters,  
bad daters.

tell me is this not enough,its not enough  
but you said it was too much,  
but we know thats just a lie,  
we'll take your heart and break it,  
so you can feel our pain,  
this isn't wat we feel,  
only wat we show,  
now baby can you tells us,  
tell us how it goes,

repeat chorus

solo:  
now im forced to choose,  
between my life...and between you,  
i said i choose my life,  
so you walked away,  
not knowing it was you,  
i closed my eyes and dream of you,  
knowing that we're through,  
i won't ever be the same again,  
cuz now im not with you,

repeat chorus 2x
