Oh - love is a mystery
Oh - love is a mystery

She was the sister of Margarita, it was long long ago
And I told her that I need her, so much she would'nt
know

And her brother was Juanito, he was a friend of mine
And I told him that I missing her, but she has no time
And I said Marie amore, you're the girl I adore

Love is a mystery, with a "L" and an "O" and a "V" and
an "E"

It's like history, with a "L" and an "O" and a "V" and an
"E"

It's ending on the floor, in the heat of the night
With the hands in the air and I hold her tight
And the "L" and an "O" and a "V" and an "E"
I know this girl is a mystery

I drank a lot of cool tequilas, should I go or should I
stay

My heart told me I need her, but I'm too shy to say
I drank a lot of Caipirinhas, I was walking like on air
And I told her that I love her, baby on I swear
I said Marie amore, you're the girl I adore

Love is a mystery, with a "L" and an "O" and a "V" and
an "E"

It's like history, with a "L" and an "O" and a "V" and an
"E"

It's ending on the floor, in the heat of the night
With the hands in the air and I hold her tight
And the "L" and an "O" and a "V" and an "E"
I know this girl is a mystery

Oh - love is a mystery
Oh - love is a mystery

Love is a mystery, with a "L" and an "O" and a "V" and

an "E"
