Don't let me go, little darling  
Oh no no no no no, little darling  
Don't let me go, little darling  
Oh no no no no no, little darling

A lonely avenue - it's raining in my heart  
Was you no number girl - how can I try a start..... without  
you  
I'm lonely as a cloud - when your love falls down  
You'll make the sun keep shining - when you're just  
around,.... oh I know  
And whatever it will be, I promise you love, forever my  
love

Don't let me go, little darling  
Oh no no no no no, little darling  
Don't let me go, little darling  
Oh no no no no no, little darling  
That I'm so in love with you

And when the sun goes on, the world is in your hands  
To the clouds we'll fly to the rainbow's end,..... you and I  
Only my shadow knows, love is on my side  
Fly around the moon, just to hold you tight,..... only you  
And whatever will be, I promise you love, forever my  
love

Don't let me go, little darling  
Oh no no no no no, little darling  
Don't let me go, little darling  
Oh no no no no no, little darling  
That I'm so in love with you

Don't let me go, little darling  
Oh no no no no no, little darling  
Don't let me go, little darling  
Oh no no no no no, little darling

Don't let me go, little darling  
Oh no no no no no, little darling  
Don't let me go, little darling

Oh no no no no no, little darling
