Don't make me blue - don't make me blue

I can't forget moments of love
I'm not too old to dream, you're in my heart
I can't forget, these love and tears
Your make up was wet, turn back the years
Oh I can't forget you babe, you know it's true
Oh I can't forget you girl, we are more than two

Don't make me blue
When the sky is grey
And I wanna fly
With you night and day
Don't leave me here
Seas in my eyes
Don't let it end
My paradise

Oh I don't care - what people say
I'm walking through these walls, if that's my way
Like snow in june, love is hard to find
And I know for sure, this girl is mine
Oh I can't forget you babe, you know it's true
Oh I can't forget you girl, we are more than two

Don't make me blue - don't make me blue
When the sky is grey - when the sky is grey
And I wanna fly
With you night and day
Don't leave me here - don't leave me here
Seas in my eyes - seas in my eyes
Don't let it end
My paradise

Don't make me blue

Don't make me blue - don't make me blue
When the sky is grey - when the sky is grey
And I wanna fly
With you night and day

Don't make me blue
