Oh my baby, hold me, there is only you and me
Oh, I cannot wait forever - no I cannot wait forever
Tell me there's a heaven and there is a destiny
Oh, I cannot wait forever - so I cannot wait forever
I will tell you baby, oh my love is real
Can't you feel it lady - feeling what I feel?

I will follow you - oh, every time and every minute
I will follow you - see my love is true
I will follow you - every time and every minute
All I wanna do - is making love to you.....

There's no me without you, why an angel breaks my
heart
Oh, I cannot wait forever - no I cannot wait forever
Please send me a rainbow, and we'll try a brand new
start
Oh, I cannot wait forever - so I cannot wait forever
And beyond my tears girl - I will see your smile
Baby I can't wait - or wait a while

I will follow you.....
