Oh, I'll never give you up - I'll never give you up
I'll never give you up - my promise lasts forever
I'll never give you up - I'll never give you up
I'll never give you up - we tie our dreams together

Oh, I got what I want - but, I lost what I had
A slave to your love - oh, you'll drive me mad
Oh, whatever may be - my baby and me
Oh, I'll miss you like crazy - my destiny
I'm talking to myself - I can't let you go
We're gonna make it, baby - I know

It's higher than heaven - this love is no lie
Oh, I promise you this love is no goodbye
If you love him girl, I will sleep beside
All the the and motion, my baby can't hide
I'll never be so wrong - please don't say goodbye
We are gonna make it - give us one more try

Refrain chorus:

Oh, baby I know - that I'm hurting you so
Can't stand the pain - oh, I can't let you go
I'll never forget you - there will be a day
There will never be a girl - who looked at me this way

Oh, I'll never find just what I am searching for
But, my love for - just can't ignore
Oh, what are you doing with the rest of your life?
Oh, without your love - I cannot survive
