Secret message - for a rendez-vous
Distant fire - it's hurting you
It's so sad.....
Good love go's bad
Tears of love will make me sad
Frozen teardrops
Running with the night
Sorry does'nt always make it right
Tears of love - tears in my heart
Why did love just break apart - break apart?

I'm riding on a white swan
I need your love tonight
I'm riding through a hard storm
Don't treat me like a child

I'm riding on a white swan
I've got just what you need
I'm riding on a white swan
You've got the best of me

On the wings of a nightingale
Playing games - your love for sale
Then my girl belongs to yesterday
No return - don't lose your way
It's more than just the two of us
Heart is open - come on, trust
Love I gave for your mystic smile
Should I go ? ? ? ? ?
Or stay awhile - stay awhile

I'm riding on a white swan.....
