Oh Sheil  
Watch good love go back  
Smoke from a distance  
Fire burnin' me  
Oh, babe, the heaven can't wait  
I need this hints  
I'm feeling my heart is appealing  
Sweet little Sheila  
Do you ? Do you really want me ?  
Sophisticated lady want me  
Sweet little Sheila  
Do you ? Do you really love me ?  
She's a different baby to me  
I only want Sheila  
Oh my Sheila  
Oh, she's specious  
Like the sun  
I only want Sheila  
Oh, my Sheila  
She's drunk, she's foolish  
And most fun  
Oh, babe  
The promise you made  
Be careful they've got stones that you're afraid  
Oh, babe  
Don't say it's too late  
Words can't express my feelings being  
Believing
