I know, I know, your love  
Is like the ocean  
I know, for shure, your head is in the clouds, my love  
Oh I know, your love, is like a sweet devotion  
Baby, baby tell me, tell me, what's love is all about

Refrain

There's something in the air  
Oh b-b-baby, your love is so unfair  
Oh b-b-baby  
There's something in the air, something in the air  
Baby but your love is crazy, baby I don't care  
There's something in the air tonight  
Baby but your love will make it always right  
Baby there's something in the air tonight  
Oh I can feel it

I know we make a night, we will remember, oh no  
I know we turn the night, in million days, my love  
I know for shure it like summer in december  
Baby, baby, nobody knows, where is the perfect way
