We'll take the chance, we will again
It's our dream, and you will see, we'll go hand in hand
I know we're here but I feel, we're not alone
Millions of people are waiting, in their home
Seeing the winners and losers, they're always in our hearts
Oh everybody's waiting, waiting for the start
We'll take the chance, we'll win again
I know my dream, it will come true
We'll take the chance, don't lose the game
It's a game for me and you
We'll take the chance, we'll win again
I know we're going hand in hand
We'll take the chance, and we are friends
For a game that never ends
I know we're high and we're low, and just between
We're feeling the fire of hearts, like a dream
We're living in deep emotion, we're fighting with our hearts
Oh everybody's waiting, waiting for a start
We'll take the chance, we'll win again
I know my dream, it will come true
We'll take the chance, don't lose the game
It's a game for me and you
We'll take the chance, we'll win again
I know we're going hand in hand
We'll take the chance, and we are friends
For a game that never ends
We'll take the chance, we will again
It's our dream, and you will see, we'll go hand in hand
We'll take the chance, we'll win again
I know my dream, it will come true
We'll take the chance, don't lose the game
It's a game for me and you
We'll take the chance, we'll win again
I know we're going hand in hand
We'll take the chance, and we are friends
For a game that never ends
We take the chance
