(Le Bo)

It ain't easy, when you're tryin' to discover
One love from the other, it's confusion in my mind
Can't let it break me, can't let it take me
I gotta make sure my decision is right

Could it be, all I need, is only you
Could it be, I could have my cake and eat it too
Is it wrong, I feel strong, for the both of you
Is it wrong to be torn(what should I do)

Chorus:

One love Two girls Three hearts torn between two
worlds
One love Two girls Three hearts torn between two
worlds

(Wayne)

It so happens, that I love them both the same
One is physical attraction and the others fun and
games
This confusion, it sets inside my head
Tryin to choose a special lady,
But I choose them both instead

(Group)

Could it be, all I need, is only you
Could it be, I could have my cake and eat it too
Is it wrong, I feel strong, for the both of you
Is it wrong to be torn(what should I do)

CHORUS

(Jelani)

I thought it would be simple
Just to find a love, a love to call my own
Difficult decision, but what I have decided is to carry on
