did i need see when im trying to discover  
one love from the other  
its in confusion in my life  
cant let it break me  
cant let it take me  
gotta make sure my decision is right

could it be all i need is only you  
could it be i have my cake and eat it too  
is it wrong i feel strong  
for the both of you  
is it wrong to be torn  
what should i do

1 love 2 girls  
3 hearts torn  
between 2 worlds  
[repeat 3x's]

it so happens that i love them both the same  
one is physical attraction  
and the other's fun and games  
its confusion that sets inside my head  
trying to choose a special lady  
but i choose them both the same

could it be all i need is only you  
could it be i have my cake and eat it too  
is it wrong i feel strong  
for the both of you  
is it wrong to be torn  
what should i do

1 love 2 girls  
3 hearts torn  
between 2 worlds  
[repeat 3x's]

i thought it would be simple

just to find a love  
a love to call my own

a difficult decision  
but what i've decided is to carry on

amyth, amyth  
smokeman, smokeman  
whose smoked on you  
a dime on a chicken  
one is my dough flow  
the other is finga lickin'  
foolish of i to play this game  
chilling and migranes  
looking for cum stains in my name  
hold up aint no need for you to blow up  
see me with LL  
now u wanna show up, comming all dressed up with  
your make up  
making a big scene talkin' bout smoke we bout break  
up  
could it be should it be logically  
torn between two girls and two worlds  
one with a mansion and a poodle  
the other one's stomach is trimmin'  
i aint the dugout  
i aint got no time for the X's and O's  
dont love them hoes  
thats why i drift with amyth  
forget the rumors just drop the bloomers  
the camels are rough rides let me come inside

1 love 2 girls  
3 hearts torn  
between 2 worlds  
[repeat till end]
