(Jelani)

Everytime I look in your eyes I smile
When I think of the way that you kiss me, when I rub you
down
The feel of your body makes me dream
That we're making' love out in the pouring rain, ooh
let's go

CHORUS:

Let's go and make love outside in the rain (Outside in
the rain)
Let me hear your heartbeat baby next to me
Slow and gentle, rain on me, give me all the lovin' you
know I need
Let's go and make love outside in the rain

(La Bo)

Girl can you imagine raindrops all over your body
The sound of love makin' in the air
That's how you make me feel, when I'm inside your
love
The rhythm of raindrops falling on your windowsill
Let's go and make love outside in the rain (Outside in
the rain)
Let me hear your heartbeat baby next to me
Slow and gentle, rain on me, give me all the lovin' you
know I need
Let's go and make love outside in the rain

(La Bo)

Can you feel the raindrops all over your body
Can you feel me, like I feel you
I've got to hold you baby, in my arms
Nobody but you

(Let's go outside)

Let's go and make love outside in the rain (Outside in
the rain)
Let me hear your heartbeat baby next to me
Slow and gentle, rain on me, give me all the lovin' you
know I need
Let's go and make love outside in the rain
