(Wayne)

Girl I've been waiting for the right time
To bring you over to my place
So I can hold you in my arms girl
And keep your body nice and warm

Cause tonight we're gonna celebrate
Just because you're my lady
I want this night to be special
Let's take it nice and slow

CHORUS:

My body's crying out for you
I wanna love you girl the whole night through
Let's take our time, let's do it right
You and me it's ecstasy
Let's fulfill our fantasy

I'm so glad you're in the lying next to me

Your satisfaction is my guarantee
I'll give you everything you need
Cause you're the only one for me and my body

My body's crying out for you
I wanna love you girl the whole night through
Let's take our time, let's do it right
You and me it's ecstasy
Let's fulfill our fantasy

If there's anything you want
If there's anything you need
Just come to me baby
I'll give it to you faithfully
My body, wants your body
Just come and get it
Girl, let's get to it
