Questioning everything that we say  
Back and forth with the life we've made  
Don't listen when the other side speaks  
Leave me be...

Left as though I can see through the  
mind-sided, it shivers with joy  
I have overcome you  
I have overcome...you

Thanks for nothing  
I have waited  
Comfort is arriving now  
Thanks for nothing  
I have waited  
Comfort is arriving now  
Thanks for nothing  
I have waited  
Comfort is arriving...

What a beautiful sight unseen  
Never felt the welcomed surprises  
Breathe new air and pull away  
Far from you...

If you even apologize  
it's pointless if you ask me  
I am one with myself  
I am one with...myself

Thanks for nothing  
I have waited  
Comfort is arriving now  
Thanks for nothing  
I have waited  
Comfort is arriving now  
Thanks for nothing  
I have waited  
Comfort is arriving...

Thanks for nothing  
I have waited

Comfort is arriving now  
Thanks for nothing  
I have waited  
Comfort is arriving now  
Thanks for nothing  
I have waited  
Comfort is arriving...

Thanks for nothing  
I have waited  
Comfort is arriving now...
