Here I am waiting for You,  
Here I am reaching out to You,  
I will run into Your arms again,  
And I'm longing for Your touch once again,

Take my life, everything, All I am,  
An offering for you,  
Cause you're all I'm living for

Here I am waiting on You,  
Here I am reaching out for You,  
I will run into Your arms again,  
And I'm longing for Your touch once again,

[Chorus]  
Take my life, everything, All I am,  
An offering for you,  
Cause you're all I'm living for  
Take my heart, all of me,  
I'm laying it down, to worship You my God  
Cause You're all I'm living for,

I will run into Your open arms,  
To your love, that washes away my fears  
I am found, deep in this mystery,  
Cause You're all I'm living for

(repeat chorus)

Cause You're all,  
You're All I'm living for,  
Jesus You're all,  
All I'm living for.
