Nothing else can make me feel this way
Like your presence in my life, everyday
How can I explain the way u make me feel
Cos Jesus your love for me is so unreal
(repeat x 1)

I wanna be where you are
I wanna stand at your feet
Jesus to be where you are
It makes me wanna sing

Ill praise u every single day
I can't stop lovin u always
Jesus to be where u are, it makes me wana sing ur
praise

I wanna be with you
I wanna be with you
I wanna be with you every single day
(repeat x1)
