Lively, lively, lively, lively, lively  
Let this world survive, survive me  
Been there for long time  
Ya, I'm headin back  
Love my life that's why I'm livin like that  
Know how to move  
Know when to stay  
Know how to get shit out of my way  
What is my message?  
Well that will be law  
Comin to you from above  
World

I got fifteen felonies  
I got twenty three misdemeanors  
I got APB's from Anchorage all the way down to  
cleveland  
A million dollar reward  
They want me alive or dead  
They gonna put three in my body  
Gonna put three in my head

Up against the wall  
Snipers on the roof  
Thought I was a gonner baby  
I'm bullet proof yeah  
Up against the wall  
Snipers on the roof  
Thought I was a gonner baby  
I'm bullet proof, yeah

Put the searchlights on me  
A hundred hound dogs on my trail  
And I'll skip the state like Jesse James  
Tennessee law man on my tail  
The helicopters circle  
Like vultures in the midday sun  
I swear to God  
I got the motherfuckin' government in the sights  
Oh my God well, go

Up against the wall

Snipers on the roof  
Thought I was a gonner baby  
I'm bullet proof yeah  
Up against the wall  
Snipers on the roof  
Thought I was a gonner baby  
I'm bullet proof

Grease me, prime me, release me, survive me  
Step back look at this light before it blinds me  
Been there a long time won't go back  
Love my life guess I'm livin like that, who  
I take a vibe and I will take it much stronger  
Got my life to live and I won't be here much longer  
No 'morrow  
Know the way that I walk is the way that I talk  
Is the truth, I'm bullet proof

I got fifteen felonies  
I got twenty three misdemeanors  
I got APB's from Anchorage all the way down to  
cleveland  
They got me  
Up against the wall  
Snipers on the roof  
Thought I was a gonner baby  
I'm bullet proof yeah  
Up against the wall  
Snipers on the roof  
Thought I was a gonner baby  
I'm bullet proof, yeah

They got me up against the wall, yeah  
Up against the wall  
Up against the wall  
You mutha fucka get  
Up against the wall
