"Everything To Me"

When i feel down i look to you
When i feel low your words ring true
Its not by might or in my strength
But it's by your spirit moving in my life
Cos God you are my life

I will praise you
You're everything to me
I'll live for you
You're the reason that i sing
I won't go back to the way it used to be
Cos i've found you and your everything to me

At times when i look down and all i see is
Sinking sand
I'm thankful that it's you the solid rock on
Which i stand
