Verse1

Take me to the place lord
Where there's nothing else but me and you
Longing for your presence
I know that you are calling me to you

Pre chorus

Here i stand
And long for your embrace
Nothing else
Could ever take your place

Chorus

Come holy spirit
Fall in this place
I need more and more of you
Fill me again with the power of your spirit
Lord i'm crying out for
More and more of you

Bridge

Lord i'm crying out for
More and more of you (oh)
