VERSE

Where can I hide
Where Your Love cannot reach me
Where can I go
Where Your arms, they're not here for me
Where can I run to
Where I cannot feel Your Love

PRE-CHORUS

Jesus Your Love rescued me
So I'll follow after You

CHORUS

Wherever You take me, I'm following You
I'm gonna follow You
With everything I say and everything I do
I'm gonna follow You
With every step I take I know that You're with me
I'm gonna follow You
I'm taking up my cross I'm following You
I'm gonna follow You

BRIDGE

You're everything that I live for
I'll follow after You
Every day of my life Lord
I'll follow after You

TAG

I'll follow after You
I'm gonna follow You
