### "For Everything"

Visit "[For Everything](#)" on MotoLyrics.com

When I found You  
All became new  
Now I live for You

Because You saved me  
And You forgave me  
I have been set free

Everything inside me gives You praise

For everything You've done in me  
I will sing to You  
And I will worship You  
FOR EVERYTHING!

For everything You are to me  
I will shout Your praise  
And live for You always  
FOR EVERYTHING!

No matter what I go through  
I'll lift my praise up to You  
In everything I will sing  
My praise unto the King
