Here i stand
Before you my heart is still
Wanting just to be with you
Waiting here
Long for your voice to speak
Touch me now
Its your face i seek

How my soul longs for you
To be with you
Adore you
Nothing more i want to do
Than to sing to you

Jesus im in love with you
Speak to me
Whisper you words of truth
Take my heart
Won't you make me new
Jesus, how i love you
How i love you

On my knees
Before you i lay my life
Giving all
A living sacrifice
Take my life
And all that i long to be
Set apart
Only for you my king

How my soul longs for you
To be with you
Adore you
Nothing more i want to do
Than to sing to you

Jesus im in love with you
Speak to me
Whisper your words of truth
Take my heart

Won't you make me new
Jesus, how i love you
How i love you

How my soul longs for you
How my soul longs for you
How my soul longs for you
How my soul longs for you
