I heard story just the other day,  
About man who gave his life away for me  
Complicated yet it seems so clear  
If I open up my heart, it be so near to me  
I believe in you  
I believe in you

I heard story just the other day,  
About man who gave his life away for me  
Complicated yet seems so clear  
If I open up my heart, it be so near to me

I believe in you  
I believe in you  
I believe in you  
I believe your word as set me free  
With all that I am  
I will live my life for you  
I believe

I read a story just the other day  
About the way you healed blind man, made him say  
Here I stand crying out to you  
All i need is faith to see a miracle in me

I believe in you  
I believe in you  
I believe in you  
I believe your word as set me free  
With all that I am  
I will live my life for you

I believe in you  
I believe in you  
I believe your word as set me free  
With all that I am  
I will live my life for you

I believe in  
I believe in  
I believe in you

I believe in  
I believe in  
I believe in you
