Let the heavens and the earth
Shout Your Majesty and glory
Let the ocean sing their song
Every tongue will tell it's story
Of Your Majesty
And Your never-ending power
Let the whole earth sing to You
I will give my heart to You
Everything I do
Cause You are the One Im living for
And I will lift my hands in praise
Serve You all my days
Cause You are the One Im living for
Let the heavens and the earth
Shout Your Majesty and glory
Let the ocean sing their song
Every tongue will tell it's story
Of Your Majesty
And Your never-ending power
Let the whole earth sing to You
I will give my heart to You
Everything I do
Cause You are the One Im living for
And I will lift my hands in praise
Serve You all my days
Cause You are the One Im living for
And I will give my heart to You
Everything I do
Cause You are the One Im living for
And I will lift my hands in praise
Serve You all my days
Cause You are the One Im living for
Cause You are the One Im living for
Cause You are the One Im living for
You are the One Im living for
I will give my heart to You
Everything I do
Cause You are the One Im living for
And I will lift my hands in praise
Serve You all my days
Cause You are the One Im living for

And I will give my heart to You
Everything I do
Cause You are the One Im living for
And I will lift my hands in praise
Serve You all my days
Cause You are the One Im living for
And I will give my heart to You
Everything I do
Cause You are the One Im living for
And I will lift my hands in praise
Serve You all my days
You are the One Im living for
Cause You are the One Im living for
Cause You are the One Im living for
Cause You are the One Im living for
Cause You are the One
