"My Passion"

Visit "[My Passion](#)" on MotoLyrics.com

I gaze into Your Glorious light
I know You're with me day and night
And now I want to praise Your name
There's nothing else that I want more
Than just to look at You in awe
I sense Your Spirit set to move
I know Your love it never ends
I know Your power gives me strength
I know somehow I'll never be the same
It's Your grace
That brought me freedom to praise
And glorify Your Name
My passion is to worship You
It's Your love
A sacrifice to give eternal life
I praise You Lord
And Glorify Your name
