

Alabama 3 "Phenomena"

Visit "[Phenomena](#)" on MotoLyrics.com

I searched the sky for something,
That i can't see,
What lies beyond the naked eye, captivates me..
The truth is there, there's no denying in,
It lies beyond the realms of where we live...
It's a phenomena
It's a phenomena
It's a peculiar interventian of the very hand of God
It's a phenomena
It's a phenomena
It's an invisible encounter with the very hand of God
Somethings we can't explain now,
Natures free..
Is it coincidence or conspiracy?
The truth is there there's no denying in,
It lies beyond the realms of where we live..
It's a phenomena
It's a phenomena
It's a peculiar interventian of the very hand of God
It's a phenomena
It's a phenomena
It's an invisible encounter with the very hand of God
The truth is there, there's no denying in,
It lies beyond the realms of where we live...
Eyeaeyeah... yeah...
It's a phenomena
It's a phenomena
It's a peculiar interventian of the very hand of God
It's a phenomena
It's a phenomena
It's an invisible encounter with the very hand of God
It's a phenomena
It's a phenomena
It's a phenomena
It's a phenomena of GOD!!!
