"Reason I Live"

I was no one when i first met you
I had nothing of worth in my life
But then i found you and it all became clear
You're the one that i've been searching for
From the start i couldnt figure it out
Why someone like you would die for me
But i know that your love for me is so great
And that is why im giving you my life
I am yours every part of me
Jesus you're the reason i live
Take my life lord and use me as you will
Jesus you're the reason i live
I can't believe that you're with me til forever
I'll never leave you and you'll never leave me
It's what i long for your presence here in my life
Cos you're the air i breathe my reason why
