"Shake The Planet"

The holy spirits got me pumpin'
With the beat this place is jumpin'
Through the sound, the demons can't stand it
Cuz we know we're gonna shake this planet
We're gonna shake this planet
And turn it upside down
Were going to praise him
Where his praises can be found
We're gonna shout his praises
For he's the one who reigns
We're gonna sing it till the whole world has been saved
Shake it
Planet turn it upside down
We'll go
Spirit come and make a sound
Shake it
Generation going down
Spirit
Cuz we know we're gonna shake this planet
Cuz we know we're gonna shake this planet
Cuz we know we're gonna shake this planet
Cuz we know we're gonna shake this planet
