"Shout It Out"

I gonna raise my hands
Gonna shout it out
Gonna Tell the world what he's all about

I gonna raise my Voice
Gonna shout it loud
That the king is here He's moving right now

C?mon, get up!
The king is here
There's something happening in the atmosphere!

I say /Jump up, Jump up, Jump up and shout it out
The king is here
Go tell the world about
His love, his grace, Spread the word around
Jump up, Jump up, Jump up and shout it out

I say /Jump up, Jump up, Jump up and shout it out
Jump up, Jump up, Jump up and shout it out
Jump up, Jump up, Jump up and shout it out
Jump up, Jump up, Jump up and shout it out

Australia, Australia, Australia is on fire
We don?t need the devil, cos the devil is a liar
