You have come into my heart
turned my life around
You have made something new
turned me upside down

i will never be the same
You showed me how to change
always will my heart be true
cos i wanna live for You
(we're gonna dance before the King)

cos You are the One i want
You are the One i need
You are the One i love
cos Jesus You're Everything

You are the Great all Mighty,
You are the Light inside me
You are the One i love
cos Jesus You're Everything
