C'est l'histoire de l'amour  
Je t'aime  
Je suis fou de toi  
Je t'embrasse

I saw her eyes, like rain in may  
A Paris-night, Champs-Elyesee  
A flickering light, an old cafe  
Oh should I run away?  
A one night stand, a small hotel  
She broke my heart, heaven and hell  
I was so wrong, she knew it all  
Now I'm waiting for her call

Baby - I'm no rockefeller, I'm no fortune teller  
I don't promise you my heart  
Baby - I'm no rockefeller, baby but I tell ya  
We can try a brand new start

Oh I swear to you (I swear to you)  
I'll never make you blue ( I make you blue)  
You are always in my heart, for sure

Mon cher, qu'est-ce que tu fais avec mon coeur?  
Recherche-moi je t'attendrai

I took the plane to JFK  
An endless flight, I have to say  
I missed that girl, more than my life  
Will this love survive?  
Back to the plane, to Charles De Gaulle  
She was my heart, she was my soul  
I know for sure, she's good to me  
The rest is history

Baby - I'm no rockefeller, I'm no fortune teller  
I don't promise you my heart  
Baby - I'm no rockefeller, baby but I tell ya  
We can try a brand new start

Oh I swear to you (I swear to you)  
I'll never make you blue ( I make you blue)

You are always in my heart, for sure

Mon amour  
C'est l'amour de ma vie

Je cherche en toi un peu d'amour  
Je t'aime mon cher

Baby - I'm no rockefeller, I'm no fortune teller  
I don't promise you my heart

Oh I swear to you (I swear to you)  
I'll never make you blue (I make you blue)  
You are always in my heart, for sure

Je t'attendrai, mon amour
