Oh you are lying (lying), you said it was forever baby
Now see me crying (crying), why can't we be together
lady
Your lips say hello, but they mean goodbye tomorrow
(bye tomorrow)
Don't tell me girl, you're running back to him - baby

Should I, Would I, Could I, listen to your lying heart -
baby, baby
Should I, Would I, Could I, promise you a brand new
start - baby, baby
Should I, Would I, Could I, open up my heart tonight -
baby, baby
Should I, Would I, Could I, don't know if it's right

I remember (remember), you said love ain't like
fashion, baby
The last december (desember), your love was full of
passion, lady
You know it all, you promise me a perfect heaven
(perfect heaven)
Don't tell me girl, you're running back to him - baby

Should I, Would I, Could I, listen to your lying heart -
baby, baby
Should I, Would I, Could I, promise you a brand new
start - baby, baby
Should I, Would I, Could I, open up my heart tonight -
baby, baby
Should I, Would I, Could I, don't know if it's right

Should I, Would I, Could I, listen to your lying heart
Should I, Would I, Could I, promise you a brand new
start
Should I, Would I, Could I, open up my heart tonight -
baby, baby
Should I, Would I, Could I, don't know if it's right - baby

Should I, Would I, Could I, listen to your lying heart -
baby, baby
Should I, Would I, Could I, promise you a brand new
start - baby, baby

Should I, Would I, Could I, open up my heart tonight -
baby, baby
Should I, Would I, Could I, don't know if it's right
