You are the best, for all of times
You beat the rest, you're in my mind
Don't take away this dream in me
Don't leave me here in misery
You are the best, from coast to coast
From east to west, love you the most
It's hard to win, you try your best
And we are sure, you'll beat the rest

Ten seconds to countdown
Ten seconds to know
Who will be the hero
Everybody loves the show

Oh we're ready for the victory
You're the hero number one for me
Baby, baby
We're in the pole position now

(Ten seconds to countdown)

You are the champ, a hurricane
From heaven sent, you win again
Oh tell me where the hero's gone
But you are here, we can't go wrong
The price is high, when dreams come true
Oh we can fly, it's up to you
It's hard to win, you try your best
And we are sure you beat the rest
