Nothing but the truth (nothing but the truth)
Nothing but the truth (nothing but the truth)

Like an angel, you came in my life
I'm walking on on cloud number 9
This may not be the start of the world
Is your heart really mind?
When will I see you again?
When will this sad moment end?

Nothing but the truth (nothing but the truth)
Nothing but my heart (nothing but my heart)
Nothing changes this love - oh it's forever
I will never tear apart

Nothing but the truth (nothing but the truth)
Nothing but my heart (nothing but my heart)
Nothing takes the place of you, my love

Like a stranger, you're sometimes to me
But whatever will be, will be
One step from heaven, I don't stop this love
I know you're my destiny
When will I see you again?
When will this sad moment end?

Nothing but the truth (nothing but the truth)
Nothing but my heart (nothing but my heart)
Nothing changes this love - oh it's forever
I will never tear apart

Nothing but the truth (nothing but the truth)
Nothing but my heart (nothing but my heart)
Nothing takes the place of you, my love

Nothing but the truth (nothing but the truth)
Nothing but the truth (nothing but the truth)

Nothing but the truth (nothing but the truth)
Nothing but my heart (nothing but my heart)
Nothing changes this love - oh it's forever
I will never tear apart

Nothing but the truth (nothing but the truth)
Nothing but my heart (nothing but my heart)
Nothing takes the place of you, my love

Nothing but the trunt
