Oh, reach out to my dream
All the masquerade of loneliness
You're a fool, baby, it seems
Words cannot express

Oh, only your lonely heart can show
You are made for me I know
It's the time for our love

A telegram to your heart
A telegraph to your love
Need your kisses
Baby, baby, need that stuff

A telegram to your heart
A telegraph to your mind
Need your kisses
Always like the first, first time

A telegram to your heart
A telegraph to your soul
A telegram to your heart
A telegraph to your soul

It started in heaven
I was lost in your lonely world
I'll be there, your raven
Oh, you're gonna be my girl

There must be more to life, take care
Our love survive for share
Your love with me tonight

A telegram to your heart
A telegraph to your love
Need your kisses
Baby, baby, need that stuff

A telegram to your heart
A telegraph to your mind
Need your kisses
Always like the first, first time

A telegram to your heart
A telegraph to your soul
A telegram to your heart
A telegraph to your soul
A telegram to your heart
A telegraph to your soul
