Oh, it's now or never
It's no empty way
I will stay forever
Babe, what can I say?
I miss you like crazy
Where did you sleep last night?
(Sleep last night)
Nobody knows you baby
Please stay by my side

And all I have and all I need
And all I want is you tonight
And all I see and all I feel
Is just holding you so tight
All I miss and all I dream
And all I want is your sweet love
And all I know and all I say
Is that I can't get enough

My love is gettin' stronger
My love is here to stay
I can't wait no longer
Baby, make my day
Oh, tonight I'm lonely
So lonely without you
(Without you)
Know that you're the only
And my heart is true

And all I have and all I need
And all I want is you tonight
And all I see and all I feel
Is just holding you so tight
(Oh ho ho ho)
All I miss and all I dream
And all I want is your sweet love
And all I know and all I say
Is that I can't get enough

And all I have and all I need
(All I have)
(All I need)

And all I want is you tonight
And all I see and all I feel
(All I see)
(All I feel)
Is just holding you so tight
(Oh ho ho ho)
All I miss and all I dream
(All I miss)
(All I dream)
And all I want is your sweet love
And all I know and all I say
(All I know)
(All I say)
Is that I can't get enough

All I missed, is you
Wherever I go, I miss you
And I need you
