See all the stars, so fine tonight
And the old nightingale is flying tonight to my dreams
Here are the birds, so quiet tonight
And titanic is calling an echo of love to your heart

And it hurts so much
But I have to go
Oh, it hurts so much
'Cause you have to know

And the angel sings in New York City
Do what I wanna do
And the angels sing, they sound so pretty
Baby, I'm missing you

Do you need love?
Hey, I see the albatross
Do you feel love?
Hey man, in the stars above
Do you need love?
Titanic, an echo of love

I'm a million miles from home
And the fire of mountains are calling tonight to my
dreams
Don't let the stars get in your eyes
And a lonely dreamer is crying tonight in your dreams

And it hurts so much
But I have to go
Oh, it hurts so much
'Cause you have to know

And the angel sings in New York City
Do what I wanna do
And the angels sing, they sound so pretty
Baby, I'm missing you

Do you need love?
Hey, I see the albatross
Do you feel love?
Hey man, in the stars above

Do you need love?
Titanic, an echo of love
