What a kind of fool I am
'Cause there's no smoke without a fire
You don't want me in your game
There's a shadow of desire

Come on in my arms again
I don't need no heart that's broken
Come and try me as friend, my love

Arabian gold
For your gangster love
Arabian gold
The last albatross

Arabian gold
For your heart and pride
Arabian gold
For you, midnight child

Arabian gold
For your precious love
Arabian gold
I can turn it off

Arabian gold
Frozen in my tears
Oh, I'm crying
Take away, away my fears

Take a ship that never sailed
Silent lover and devotion
Seven lonely nights, too late
Oh, you're breaking my emotions

Like a loser I will smile
Hearts are better left unbroken
Come and try me for a while, my love

Arabian gold
For your gangster love
Arabian gold
The last albatross

Arabian gold
For your heart and pride
Arabian gold
For you, midnight child

Arabian gold
For your precious love
Arabian gold
I can turn it off

Arabian gold
Frozen in my tears
Oh, I'm crying
Take away, away my fears

Arabian gold
For your gangster love
Arabian gold
The last albatross

Arabian gold
For your heart and pride
Arabian gold
For you, midnight child

Arabian gold
For your precious love
Arabian gold
I can turn it off

Arabian gold
Frozen in my tears
Oh, I'm crying
Take away, away my fears
