Just tomorrow, there's another day
Another way in your life
It's not easy, oh it's not easy to say
If our dreams will survive

I know I can't ignore it
It's the end of our love
I know the time will show it
To my heart

Blackbird don't fly away
See you in heaven
Miss you more and more each day
It's five to seven

Spread your wings, don't fly away
Blackbird don't fly away
Blackbird don't fly away
Blackbird don't fly away

Remember when you said to me
I'm blind to see our love
I remember you were my destiny
Tell me why you break my heart

Yesterday is gone forever
Every day is a new day
I swear I'll love you forever
And I say

Blackbird don't fly away
See you in heaven
Miss you more and more each day
It's five to seven

Spread your wings, don't fly away
Blackbird don't fly away
Blackbird don't fly away
Blackbird don't fly away

Fly away
Fly away

Fly away

Don't fly away
